3. (a) We did not audit the financial statements of two subsidiaries whose financial statements information reflect total assets of Rs. 8,538,117 as at 31st March, 2017, total revenues of Rs. 30,260 and net loss after tax amounting to Rs. 398,886 for the year ended on that date, as considered in the consolidated financial statements. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts included in respect of these associates is based solely on such unaudited financial statements.

Our opinion on the statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the unaudited financial statements certified by the Management.

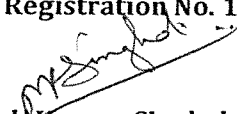

4. *In the case of the subsidiary, HTL Ltd., the Subsidiary has not made the provision of interest amounting to Rs. 15,021,120 for the year ended 31st March, 2017, pending the adjustment of ETP compensation against the interest portion of certain outstanding loans. Had the provision for the same been made, finance cost, loss for the year and liability as on 31.03.2017 would have been higher by Rs. 15,021,120 and total equity would have been lower by Rs. 15,021,120.*
5. In the case of the subsidiary, HTL Ltd., the Subsidiary has accumulated losses of Rs.1,146,937,789 as at March 31, 2017, resulting in negative net worth of Rs. 996,937,789. Further, the Company has overdue loans from Government of India amounting to Rs.62,420,000 together with interest accrued and due thereon of Rs. 271,587,511. During the year, the Company has achieved Sales Turnover of Rs. 2,014,406,627 as compared to previous year Rs. 306,375,920. In view of the above, the financial statements have been prepared on a going concern basis. Our report is not qualified in respect of this matter.

In our opinion and to the best of our information and according to the explanations given to us, *subject to paragraph 4 above* and based on the consideration of the reports of the other auditors on separate financial statements and the other financial information of subsidiaries referred to in paragraph 3 above, the statement:

The final adjustment for interest, if any, will be done by the subsidiary company once the reconciliation is agreed upon.</p> <p>Though the auditor has mentioned the maximum impact of Rs.150.21 Lakhs, however the management of the subsidiary company is discussing the matter with the concerned lender for the adjustment/ reversal of excess interest, as the case may be. Hence the impact is not ascertainable at present.</p>
