

Coverage Report

**HFCL spearheads innovation in defence products for Indian and
global markets**

(as on May 23, 2024)

Highlights of the coverage

- Adfactors team drafted and disseminated the press release across national, telecom, and defence media.
- However, owing to disseminating the press release late on Friday evening and ongoing election season, the coverage was impacted.
- Post the follow ups, the team garnered coverage in the following defence and trade publications including:
 - **Communications Today**
 - **Manufacturing Today**
 - **Aviation Defence Universe**
 - **Indian Defence Review**
 - **Dalal Street Investment Journal**
 - **SME Street**
 - **Press Network of India**

The screenshot shows the top portion of the Indian Defence Review website. It features the IDR logo with the tagline 'INDIAN DEFENCE REVIEW'. To the right, there is a banner for 'India's Security and Regional Geopolitical Imperatives' and social media icons for Facebook, Twitter, YouTube, LinkedIn, and RSS. A navigation bar includes links for Home, About Us, Advertise, Book Shop, Subscription, and Archive. Below the navigation bar, there are two featured articles: 'SPECIAL OPERATIONS CASE STUDIES Lessons for India' and 'Lt Gen Prakash Katoch'. A 'Latest' news section highlights 'DRDO carries out successful flight trials of High-speed Expendable Aerial Target 'AB''. A breadcrumb trail reads 'Home > News > Defence Industry > HFCL spearheads innovation in defence products for Indian and global markets'. A 'Defence Industry' category tag is also visible.

The screenshot shows the top section of a news article on the 'Aviation & Defence Universe' website. At the top left is the site's logo with the tagline 'WE JUST REPORT FACTS, WE DON'T CHANGE THEM'. To its right is a blue navigation menu with links for 'DSA 2024', 'Photo Gallery', 'Video Gallery', and 'Podcast', and a sub-menu for 'US Partnership Pavilion DSA 2024'. Further right is the 'AVIATION INDIA' logo and a globe icon. Below these is a horizontal navigation bar with links for 'Home', 'Army', 'Navy', 'Airforce', 'Space', 'Civil Aviation', 'Make in India', 'Hall of Fame', 'Industry', 'Arms & Ammunitions', 'International Relations', and 'DRDO'. The main content area features a large headline: 'HFCL spearheads innovation in defence products for Indian and global markets'. To the left of the headline are two small thumbnail images: one for 'EUROSATORY' and another for 'Aeromart Hyderabad 2024'. Below the headline is a small video player showing a man in a suit. To the right of the video is the article text, which begins with 'New Delhi, 17 May 2024. HFCL Limited ("HFCL"), a leading technology enterprise specializing in the manufacturing of high-end telecom equipment, optical fiber, and optical fiber cables, as well as providing communication network solutions for telecommunications, defense, and railway sectors, has strengthened its position in the defense sector with the development of cutting-edge defense electronic products. Aiming to be a significant contributor to the defense sector and fortify national security, HFCL has invested in its R&D capabilities over the past five years to develop various defense products. HFCL has successfully created a comprehensive, its IPR owned state-of-the-art defense product portfolio which are not only of national importance but also have huge demand for export. This includes Electronic Fuzes, Ti Cores for Thermal Sights, Thermal Weapon Sights for light machine guns and Assault Rifles, Ground Surveillance Radars for various range and applications, as well as High Capacity Radio Relays, among others. It is also in process of developing Drone Detection Radars. HFCL has developed different types of Electronic Fuzes for 105, 130, and 155 mm caliber Artillery Guns. The Company has also successfully cleared the User Trial Readiness Review for the Armament Upgrade Project of the Indian Army for BMP Infantry Combat Vehicles, further demonstrating its capabilities in meeting the defense sector's requirements. HFCL's subsidiary HTL Limited has already received orders from various Defence PSUs for supply of Wire Harness for application in Tanks, Ships, Aircrafts and in several other equipment.'
